

29 September 2021

Dear Parents/Carers of Year 11 Students,

Re: Y11 Revision Guides Available on ParentPay

I would like to thank everyone who managed to find the virtual Raising Achievement Evening presentation and would like to apologise again for the late cancellation of this event. The Raising Achievement presentation and all other presentations are available on Frog under Year 11 Raising Achievement, under the All Subjects tab. You can also access it via this link

<https://portal.fromecollege.org/year11raisingachievement>

You will need your Frog log-in details in order to access the website. I also wanted to remind you that revision guides are now available for purchase on ParentPay. The window for ordering will close on **Friday 8 October 2021**. Please note you will not be able to order the books through us after this date. If you wish to buy the revision guides yourselves and not via the college, there is a list of revision guides we use available on the Raising Achievement website.

There is no expectation that you will buy all books for all subjects. Please discuss with your child/children to make sure you only order books for the subjects that they actually study and ones that they feel would be most beneficial. Could you please also check that they don't already own a revision guide for that subject? Similarly, you will need to check with your child before ordering whether they do higher or foundation Maths and combined or triple Science. There are also different calculators – please don't buy them both.

Books will be ordered after the 8 October and distributed in college when they arrive; this information will go out through tutors and students will need a print off of their ParentPay receipt to collect their books.

Please do not hesitate to email me if you have any concerns at wowsley@fromecollege.org or if you have subject questions to email their teacher, again email me if you need pointing in the right direction!

Thank you for your support with Year 11.

Yours sincerely,

Bill Owsley
