

September 2021

Dear Participants and Parents,

Outdoor Experience – Monday 11 – Friday 15 October 2021

We would like all year 9 students to spend a night and day in the great outdoors, taking part in several activities, some organised by college and others organised by Frome Town Council. This is part of the transition to Frome College and an opportunity for students to really get to know each other and work together as a team.

This **experience** is being offered to all year 9 students and we hope to have a 100% participation in some way to make it a truly memorable event. Please talk to your head of house if you have any concerns about completing the whole event

This letter has 5 pages including 2 forms to complete. Please read through all the pages.

Duke of Edinburgh's Award Scheme is run in the school at all levels. This year 9 activity will give you a good idea of what sort of things our participants could do on DofE training and weekends. DofE is open to all students and is a personal journey and non-competitive. Bursaries are readily available for students who may find difficulty funding as DofE is fully inclusive.

Combined Cadet Force (Royal Navy) Cadets encourages young people to try something new. Those who wish to take part would be issued a uniform and try activities such as archery, rock climbing and mountain biking mostly for a minimal cost or for free. There would also be opportunities to experience other activities at Navy bases like sailing and canoeing. You would learn about the Navy but the aim of cadets is to improve confidence, self-esteem and team work rather than recruit.
